

FISCAL NOTE

HB 2042 - SB 2957

January 23, 1998

SUMMARY OF BILL: Removes the provision that a person whose DUI convictions occur more than ten years apart may not be considered a multiple offender. All charges will be considered in calculating multiple offenses as long as the person was an adult at the time of the conviction and one of the violations takes place after passage of this bill.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant
Increase Local Govt. Revenues - Not Significant

This will probably result in a few more convictions as a second or subsequent offender and result in some increase in local jail time and fines paid.
